

## 21 Years

In **November 1989** we got a kind invitation from the Dutch headmaster to join the European Exchange Programme, which our Dutch colleagues have brought to life. That was our first contact with Het Baarnsch Lyceum. We were impressed and enthusiastic about the ideas and plans to bring young people in Europe closer together.

See for yourself where that start got us to....

<b>May 1990</b>	<b>Baarn</b>	First Teachers Conference <b>(TC)</b> Discussion of student exchanges with colleagues from Gelsenkirchen and Bruxelles
